

# Tollerton pupil premium strategy statement for 2024/25

This statement details our school's use of pupil premium (and recovery premium for the 2024 to 2025 academic year) funding to help improve the attainment of our disadvantaged pupils. It also reviews the data for PP children for 2023-2024.

It outlines our pupil premium strategy, how we intend to spend the funding in this academic year and the effect that last year's spending of pupil premium had within our school.

# Part A: Pupil premium strategy plan

## Statement of intent

Our broad and overarching objective for disadvantaged pupils at Tollerton is that:

- When they leave our school, their attainment is no different to that of non-disadvantaged pupils and as such they are academically ready for the transition to secondary school.
- They very quickly lose any reading attainment deficit they have on entry to school and all leave KS1 as fluent and proficient readers.
- They have access to and take up a wide range of enrichment opportunities that enable them to develop cultural capital, life experiences and personal and social skills that are no different to those of other pupils.
- Their absence from school is no greater than non-disadvantaged pupils and is less than all pupils nationally.

## Challenges

This details the key challenges to achievement that we have identified among our disadvantaged pupils.

Challenge number	Detail of challenge
1	As a group, Pupil Premium Pupils' academic starting points for 2023-2024 are below non-Pupil Premium pupils in school.
2	Typically limited early reading and language experience prior to joining school affect attainment in ks1 (phonics), which can impact later progress in KS2.
3	Typically limited early maths experiences prior to joining school affect attainment in KS1, which can impact later progress in KS2.
4	Pupil Premium pupils writing is impacted by limited range of vocabulary.
5	Typically, disadvantaged pupils do not access the wide range of enrichment and beyond-school experiences that non-PP pupils access.
6	Typically, some disadvantaged children have had lower attendance than non-disadvantaged.

## Intended outcomes

This explains the outcomes we are aiming for **by the end of our current strategy plan**, and how we will measure whether they have been achieved.

<b>Intended outcome</b>	<b>Success criteria</b>
Children meet national standards in phonics.	National standards met
Children meet national standards in Y2 reading.	National standards met
Children meet national standards in Y6 reading.	National standards met
Children meet national standards in maths.	National standards met
Children meet national standards in Writing.	National standards met
Barriers to learning are identified and staff work with the pupils and their carers to support the breaking down of the barriers.	Children meet targets in reading, writing and maths as a result of specific intervention approaches.
Children experience a broad range of enrichment and extra-curricular school events.	PP children have taken part in enrichment activities as part of school curriculum and have accessed extra-curricular activity.
Attendance of PP pupils rises.	PP pupil attendance is above national attendance for all pupils.

## Activity in this academic year

This details how we intend to spend our pupil premium (and recovery premium funding) **this academic year** to address the challenges listed above.

## Part B: Review of outcomes in the previous academic year

### Pupil premium strategy outcomes

This details the impact that our pupil premium activity had on pupils in the 23/24 academic year.

*The table below has been taken from our 22/23 pupil premium strategy and it identified the targets we set ourselves at the start of the academic year. An evaluation against each target has been added and colour coded to identify performance against the target. Green = met / amber = almost met*

Intended outcome	Success criteria
Children meet national standards in phonics.	National standards met <i>(July 24 = 0/1 Y1 and 3/3 Y2 met)</i>
Children meet national standards in Y2 reading.	National standards met <i>(July 24 = 1/3 Y2 met)</i>
Children meet national standards in Y6 reading.	National standards met <i>(July 24 = 2/3 met)</i>
Children meet national standards in maths.	National standards met <i>(July 24 Y6 2/3 met, Y2 1/3 met)</i>
Children meet national standards in Writing.	National standards met <i>(July 24 Y6 2/3 met, Y2 2/3)</i>
Barriers to learning are identified and staff work with the pupils and their carers to support the breaking down of the barriers.	Children meet targets in reading, writing and maths as a result of specific intervention approaches.  Reading (Y1, 3, 4, 5) *includes 5 SEND: <i>July 24 – 4/11 EXS.</i> Writing (Y1, 3, 4, 5): <i>July 24 – 1/11 EXS</i> Maths (Y1, 3, 4, 5): <i>July 24 – 7/11 EXS</i>
Children experience a broad range of enrichment and extra-curricular school events.	PP children have taken part in enrichment activities as part of school curriculum and have accessed extra-curricular activity.  <i>July 24 – all PP children took part in school enrichment activities</i>
Attendance of PP pupils rises.	PP pupil attendance is above national attendance for all pupils.

	(July 24 - PP 93.4% attendance – above national PP 91.7%. Just below national all pupils 93.8)
